Times like these you appreciate the vision of: Sending Bibles to Russia. God loves and cares for those people, and placed the burden on Lowell’s heart to do something for them. God has repeatedly opened doors to help this ministry continue.

We are thankful for the faithfulness of Lowell and Juday and pray that God will continue to bless them and use this ministry to change our world.

A Christian Ministry in the
National Parks**

ACMNP is already accepting applications for people to work with them in 2022. National Parks scattered across the country provide opportunities for Christians to lead worship, Bible Studies, minister to workers in the park and ore. Consider joining ACMNP as a worker on one of their teams,

or financially support or continue to prayer for their ministry! Pray for workers who will join this ministry and share God’s love with the people that visit our National parks.

If you would like to support a team member in prayer, please email info@acmnp.com

God has enabled our ministry to go beyond the walls of our building. As we serve in the community and reach out through social media; God works through us.

The live stream on our Facebook page is another way. Regulars can be found in Michigan and California; with occasional visits by those in Ohio and other parts of the world.

The “live stream” video on our Facebook is also available to go back and view at any time. So, if you can’t join us in person, you can still be blessed by what God is doing and saying to our congregation.

The interest in our online free Bible Studies remains strong. Old Testament studies lead the way, followed by the Gospels and New Testament writings.

Bible Stories on our website for children also remain popular. Multiple pieces of artwork per story help people visualize what God was doing.

Let your family and friends know of these free resources as well!!
