GETTING INVOLVED

As we start a new year, we begin a new focus on "Getting Involved". Daily Bible Reading, Sermons and Bible Studies will focus on helping us see the people we were made and called to be.

In the scriptures, we find the blind, sick and lame finding ways to get to the Temple or to Jesus. With all of today's advantages, we should also be able to find ways to get to church.

In the scriptures, we see people being called to serve God. How many can YOU think of where it required no sacrifice, effort, and/or change in their life?

In the scriptures, how many faced difficulties and challenges because they had chosen to serve God?

In the scriptures, which people found that God accepted their "excuses"? Which excuses does God accept?

Read along, study and worship with us, allow God's Spirit to speak to your heart. You will begin to realize that YOU need God, you need the Scriptures, you need the local congregation to help you become the person God has called you to be.

**Clio Christmas
Celebration
Report**

Christians, businesses, schools and organizations worked together to supply food, hygiene items, blankets and more to about 100 Senior Citizens. These items along with board games and toys were also handed out to nearly 75 families. The financial goal was nearly doubled and the donated items also exceeded expectations. Leftover food and toiletries were placed in the "SAFETY NET" store on S. Mill Road (Clio Road) for use as needed.

Give thanks to God for all the generosity and volunteers.
