

**Let God Speak to YOU!**  
**Communication is important in EVERY relationship**

People have been wondering where our Daily Bible Reading will focus for 2022. We will be reading what the Bible says about different people. We will see how their daily life was affected by their interaction with God. By the end of the year, those that participate will have not only a greater knowledge of many people of the Bible, but also greater insight of how God will work in their life.

The messages each Sunday morning will focus on the person we have been reading about the previous week.

You can pick up copies of the ENTIRE YEAR PROGRAM in the Church Foyer, or get a copy for the month on the Church calendar, or on our Church Website: [pinerunchurch.org](http://pinerunchurch.org) at the "Reading God's Word" page.

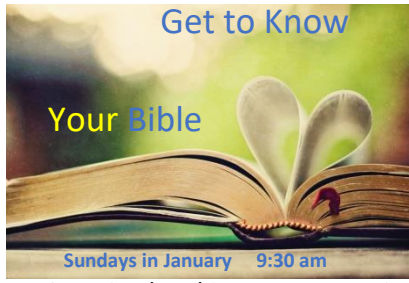

If you are not reading the Bible daily, plan to change that with the start of the new year. You will be amazed at the difference that feeding on God's Word can have on your attitude, behavior and awareness of God's work in your life!

**Take Time to Talk to God!**

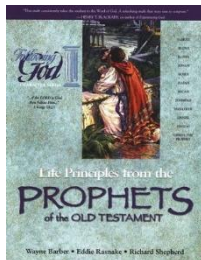

2021 was a challenging year due to COVID, losing 2 faithful members in the very first month, and being limited with the number of people coming out and getting involved in worship.

The faithful carried on, people have grown in their faithfulness and service and God has continued to provide opportunities and resources. We have seen people survive COVID, overcome other diseases, comforted, strengthened and protected.

Our Study this past year in Revelation was eye-opening and enjoyed by those that came out. While there is still much that is beyond our understanding, everyone grew in their awareness of the content. It also reminded us how much of the "Revelation" had previously been shared in other sections of the Bible (including the Old Testament).

We will begin a new study about "WORSHIP" and lessons that we learn from the Old Testament. We will find that there are principles and concepts that apply to us today and even for eternity in Heaven. What are those principles and concepts? Guess you will need to join us on Sunday Mornings at 9:30 am as we learn together!

**MIDWEEK STUDIES AVAILABLE**

Each week, we prepare and make available in the church foyer, Bible Studies from the Old Testament Prophets. Principles from their lives about "Following God" will be studied.

Take time to pick up a new sheet each week and see the message that God gave to His people about 2600 years ago, and see what you can find that would apply to our lives today! You will be amazed how relevant this material is!

**God continues to keep the doors open. We have been looking at what the government "requires" to be considered a congregation. God continues to enable to keep checking off all of the boxes.**

**God has been helping people grow in their faithfulness. Two of our most faithful, went home to be with the Lord in January and yet our "average" attendance was down by less than 1 person for the year. That underscores how others have been stepping up.**

**God has been helping raise up volunteers to help us get done the maintenance and decorations that we have become accustomed to.**

**God has increased the giving, while reducing our costs on several occasions throughout the year.**

**God is good and continues to help us see that He is able to do more than we can imagine!**
