Hard to believe that it has been 10 years since Buddy was recognized as the oldest male with “dwarfism”. We praise God for blessing Lowell with such a long life and give thanks for Buddy’s continued service in the Kingdom. His wife, Judy, is a big part of that continued role in sending Bibles to Russia and helping communities in need in our country!

Continue to pray for them; as we continue to support their work for the Lord!

#### A Christian Ministry in the National Parks

ACMNP is already accepting applications for people to work with them in 2022. National Parks scattered across the country provide opportunities for Christians to lead worship, Bible Studies, minister to workers in the park and ore. Consider joining ACMNP as a

worker on one of their teams, or financially support or continue to prayer for their ministry!

If you would like to support a team member in prayer, please email [info@acmnp.com](mailto:info@acmnp.com)

We are thankful that God enables us to reach out and minister to individuals through “Live Stream”. We have regulars that are there one a weekly basis and others will drop by on occasion.

The “live stream” video on our Facebook is also available to go back and view at any time. So, if you can’t join us in person, you can still be blessed by what God is doing and saying to our congregation.
