

**Let God Speak to YOU!**  
**Communication is important in EVERY relationship**

<http://pinerunchurch.org/reading-his-word.html> .

We will start July reading about Esther who God worked through to save her people and then look at the prophet Elisha, Daniel and Isaiah. Read along and discover the message that God has preserved for over 2000 years, that remains as relevant as could be.

If these names aren't familiar, or you don't know that much about them, there is no better time to change that than now!

**Take Time to Talk to God!**

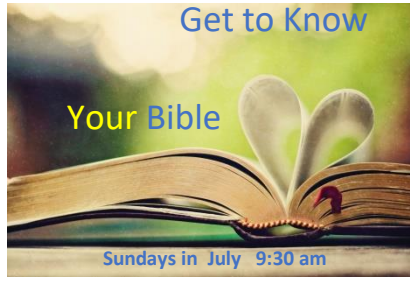

Daily needs and health issues are the leaders in what people often want to talk to God about. Maybe it would be beneficial to look back at the "Model Prayer"

'Our Father, who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done, on earth as it is in heaven.. Give us this day, our daily bread, and forgive us our debts, as we forgive our debtors. Lead us not into temptation, but deliver us from evil, For thine is the Kingdom, and the glory and the power forever. Amen.'

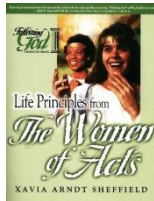

Daily needs are definitely in there. But so is: Praise, requests for the Kingdom, repentance and forgiveness, and daily guidance.

Keep letting God's Spirit help you to grow in your prayer life!

Our study on the Tabernacle and the Feasts were tremendous preparation as we look at the Temple in Jesus' Day. We are seeing a tremendous change from what GOD INTENDED, to the 'empty shell' it had become. Our people are also identifying how that can also happen in congregations today, if we're not carefully following Jesus.

Come discover some warning signs so that you don't wander from your walk with Jesus

### Women of the Kingdom

Pick up a copy of our "midweek"

personal study guides and discover many of the ways that God worked through women in the first century church. You will discover that they were more "involved" than what their "society" would expect (or allow). played in the church.

These studies are available in the church foyer; with a new lesson added each week!

**BTW:** If you missed out on one or more of the "Old Testament Prophet" studies (which again will be helpful next year); pick up a copy of the set in the church foyer or ask Paul!

**So much has been happening and taking place around the church building as God provides :**

- Sign repaired
- Back Gate repaired
- Parking Lot sealed and lined
- Trees trim, brush removed
- Boardwalk and flowerbeds are being created
- Planter (courtesy of Vienna BDA) placed out on lawn

This is leading to people noticing and asking about what's going on.

God has also been active increasing our impact and presence in the community:

- Listing of Clio VBS' on website
- Creation of a "community Calendar" (on our website and the 'pipe dream" of community leaders")
- Creation of a Community Leader contact list (also on our website and was considered a "pipe dream")
- Recognition as people with ideas and who can get things done

Besides all the spiritual growth and opportunities; we are now set up to receive donations online at our website (see Pinerunchurch.org; Lowell Mason Prayer Walk Park page).
