### Mission of the Month:

In their latest publication (first under their new president: Dr. Frank Weller) shared the statistic that in the Restoration Movement in the next 5 years, 1,000 ministers will retire. GLCC wants their graduates to help fill that void.

They go on to cite how they graduated 26 students this year with just 1 going into preaching right now (and they are headed back home to India).

People, we need to be praying for God to work through Great Lakes (and other Bible Colleges)! We also need to realize that the Gospel spread the fastest during difficult times and "ordinary" Christians shared their love for God with others. This is what started the Kingdom's expansion from Jerusalem and kept congregations going and

growing. It's still true today! Your faithfulness, love and service can impact so many lives. Look in our local community at all the benevolence and you will discover that the majority is done by "ordinary" people. Keep living for God, loving others and pray for His Kingdom to grow!
