School Administration
& Carter Middle School

Helping
With
LIFE

JUNE 5—AFTER WORSHIP

We will be gathering to discuss not only where our "outreach" is headed, but how we can better enable YOU to grow in your walk with Jesus.

We are asking for all participants in the congregation to join us. We want and need to hear from you how we can "tailor" our efforts to better serve your needs.

This BRIEF meeting will update on improvements being made around the grounds, outreach & ministry, Prayer Walk Park and look at what additional "programs" and "helps" YOU would like to see.

Pray, think about and come ready to be encouraged and share!

PRAYER WALK PARK UPDATE

People are talking and asking for progress reports-- not just people in the congregation, but also in the community!

The themes for 10 stops along the path have been selected. Each stop will include a Bible Event, "Praise God for..." statement, "Than God for..." statement and an area to pray about. Corresponding Bible verses for each stop will be available on our website and accessed by QR codes on the

signage along the pathway. To check these out now you can go to: pinerunchurch.org and click on the "Lowell Mason Prayer Walk Park" tab.

The concepts for the mural are coming along, with sketches for 3 and a concept for a fourth (out of 10) being done. The one for heaven, is what is pictured; another for "Redemption" and "Sermon on the Mount" can be seen in the church foyer; while a rough draft of the "Feeding the Multitudes" can be viewed as well.

The layout for the flowerbeds and boardwalk is in place.

Work on digging out the area for the boardwalk has begun.

Help with financing, labor and especially prayer is needed!

Replacement of Baptistry pump, repair of furnace; removing "pests" [mice, birds, squirrels & bats] from parsonage; repair of back gate; replacement of "clear" panels on sign & latches; filling cracks, sealing and re-lining of Parking lot; and trimming of trees should all be completed by the end of the month
