

Lowell "Buddy" Mason

website:

The ministries that Lowell helped get underway continue under Judy's loving care. She also keeps busy taking care of Lowell at this point in his life.

We are glad to see the work begin for the Lowell Mason Prayer Walk Park. It means so much to the family to have "Buddy" recognized. Some are planning on making a trip to see the park and possibly have his son, Duke, do a concert on the day of Dedication.

Pray for Buddy and Judy during this period in their lives and give thanks for the victory that is ours in Jesus Christ! This is the message that Buddy has proclaimed for so many decads and countries!

Please add the rest of the family in prayer as well for strength, support and comfort for the days ahead.

A Christian Ministry in the National Parks

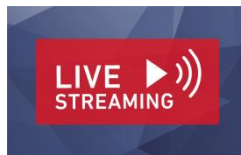

It is about time to send out the teams for the summer. There is still time to get hooked up with a team. The picture below shows them at a recent gathering.

They are still looking for prayer partners to encourage and support the teams. If interested you can email: info@acmnp.com and they can get you connected

Remember to check out in advance when planning on visiting a National Park for the programs that might be available! They are planning on more than 80 programs across the country on any given Sunday this summer!
