

**Let God Speak to YOU!**  
**Communication is important in EVERY relationship**

<http://pinerunchurch.org/reading-his-word.html> .

In the month of June we will be reading about: Peter, John, Solomon and Elijah. There is much to learn from the lives of these 4 men and how God worked through them.

As you read, take time to reflect and look for the different ways that God is working IN and THROUGH your life.

Sunday morning's message will come from the previous weeks reading. This will provide you with a chance to refresh and review; besides possibly gaining some new insight.

You can find the daily Bible Reading on the monthly calendar, on printed schedule in the church foyer or on our website!

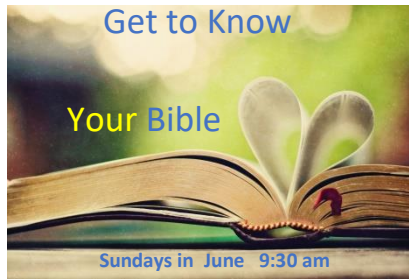

Feed regularly upon God's Word for strength and to transform your mind.

**Take Time to Talk to God!**

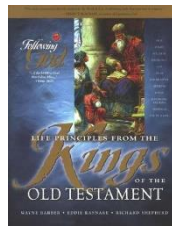

"Lowell Mason Prayer Walk Park." Helping people to develop their prayer lives, through connection with our website, they can also be reminded of over 40 passages of scripture that form the basis for the topics along the prayer walk.

You don't need to wait for the park to be finished Pray now. Pray regularly. Pray for your self, for others, for your community, for the Prayer Walk Park, for the work of the Kingdom and remember to take time to praise and give thanks!

The start of June ushers in a new study. We will be looking at "The Temple: Its Ministry and Services as they were at the time of Jesus Christ." This study was done by a Jewish scholar who became a Christian. Alfred Edersheim was born nearly 200 years ago, but his work continues to be held in the highest regard.

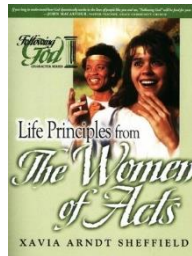

Learn more about this key area of Jesus' life and discover insights that will give you an even greater appreciation for Jesus!

**MIDWEEK STUDIES AVAILABLE**

In June we will finish our study of "Principles from the Kings of the Old Testament" and

"Life Principles from The Women of Acts." This will be a study of the early church from a different perspective; the important role that women played in the church.

These studies are available in the church foyer; with a new lesson added each week!

**BTW:** If you missed out on one or more of the "Old Testament Prophet" studies (which again will be helpful next year); pick up a copy of the set in the church foyer!

God has cleared the way and the grant has been approved. Let's put things in perspective; We started out looking at spending \$5500 to fix up the parking lot. God is now enabling for us to spend only \$4700 to:

- Repair Baptistry Pump
- Repair Furnace
- Repair Back Gate
- Rid Parsonage of: birds, squirrels, bats and mice
- Restore outdoor Sign
- Trim Trees & remove brush on church lot

God takes what we offer and blesses it to go FAR BEYOND what we anticipate.

Wonderful to be blessed with visitors this past month.

Interest and excitement about the Prayer Walk Park continues to grow. Community leaders are inquiring about it; people from Precious Moments and the Mason family in Missouri are talking about coming up to see it when it's done.

Pray for God to continue to lead, bless and for the community to get involved and help make this "their park".
