Calling for Prayer

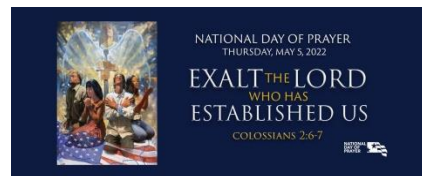

God has worked through our ministry to call our community to care for those in need and to unite believers. He has also been setting pieces in place where He could use us to call our community together in prayer. We have participated in the National Day of Prayer and promoted the "See You at The Pole" programs each year. Last year, He helped us expand the National Day of Prayer program to an additional program in the evening at the Clio High School.

This year, He again is working through us to bring people together for the National Day of Prayer.

In addition, God has opened the doors to establishing a "year round" Prayer Walk Park on our property. Stops along the way will encourage people to Praise God for Who He Is, Thank Him for what He has done and then pray about different areas for themselves, community and world. Inspiration for many of the "requests" came from the themes at the National Day of Prayer yearly events.

Drawing attention to the park will be a 16' H x 80' L mural depicting God's Love through the years. Precious Moments has agreed to design the mural for us. God continues to put the needed pieces in place; businesses to do the work, support of local & State Government, craftsmen and the start of donors.

Pray for God to continue to lead and bless these efforts.

National Day of Prayer May 5

Two opportunities await for you to join with other believers in gathering for prayer.

NOON – 1:00 PM AT CLIO FIREHOUSE—

This gathering will focus on gathering in groups to pray for various aspects in our lives.

6:00 – 7:30 PM AT CLIO HIGH SCHOOL AUDITORIUM—

This gathering will feature worship, scripture besides having an extended time of prayer.

Prayer guides and bookmarks will also be available in advance at Pine Run if you can't attend either of these events.

Mother's Day May 8

Join us for Mother's Day on May 8th. Following our Worship Service (10:30 am), there will be a gift for each of the mother's in attendance.

We will give thanks for not only the role that these women have had in the lives of their families, but also how God continues to work through them to build up the Kingdom.

Memorial Sunday May 29

Memorial weekend we will have a display recognizing those who served in the armed forces who are no longer with us. Following our worship service, people are invited to check out the display and place a flag on behalf of their family, on our lawn.
