

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

In the month of May we will continue to read of people struggling to remain faithful with the temptations and struggles that they face. Those who trust in God, see great blessings and achievements. When they fail, they do so in grand fashion.

Let us learn from their experience and rely more mightily upon God's power, following Christ's leading and allowing the Spirit to work in and through us. As you can see, you are not "alone" in your battle for God will be with you in so many ways and has already allowed you to be victorious through His Son, Jesus Christ.

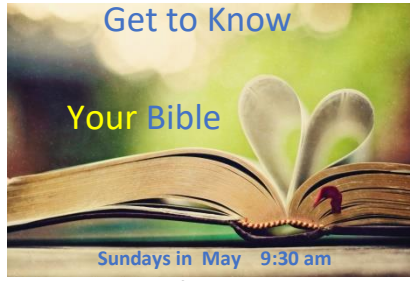

Feed regularly upon God's Word for strength and to transform your mind.

Take Time to Talk to God!

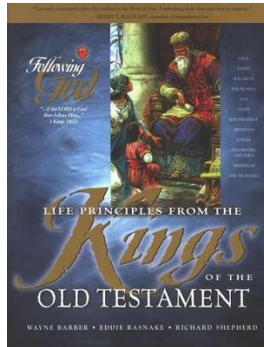

The National Day of Prayer will be getting a tremendous amount of recognition. How much greater is the importance of God's people praying DAILY for the work of the Kingdom and God's will to be done here on earth.

Pray for Christ's leading to be clearly seen and followed by the leadership and each individual. God is waiting to bless and is willing to intervene on our behalf as evidenced by His sending Jesus to die for us. This demonstrated how much He is willing to do for us!

When we refer to all that Jesus fulfilled, it includes not only the "prophecies", but fulfilled the intent of God's relationship with us. Each week we are seeing how the Old Testament feasts were a precursor to what Jesus would do and be. There is so much more to Jesus, than what we read in the Gospels. Understand the significance by studying with us each week.

BTW: If you missed out on one or more of the "Tabernacle" studies (which again will be helpful next year); pick up a copy of the set in the church foyer!

MIDWEEK STUDIES AVAILABLE

Leadership is vital to the direction of a people.

We find that consistency is doing what is right has proved to be elusive for these kings. As we study, may we be challenged more to rely upon the Lord for our strength and less upon our own "ingenuity" and "ability". God can and will do so much more than we can imagine, if we will let Him!

Continue to pray for the "grant" that we applied to. The Vienna BDA is checking with their lawyer to see if they "can" award a "non-profit" funds.

God has been providing in amazing ways, not only as people are stepping up in the congregation, but also as we pursue another project. The leadership feels that God is leading us to establish a "PRAYER WALK PARK" on our grounds. This would allow a YEAR LONG resource building upon the efforts of the National Day of Prayer. To the establishment of this Park, God has already brought on board:

- Precious Moments
- Bronner's
- Purves Construction
- Marquee Engraving
- One Solutions Landscaping
- Steve Hargash (painter)
- Vienna Twp.
- Vienna BDA
- And more!

Pray for God to continue to lead, bless and for the community to get involved and help make this "their park".
