

Lowell "Buddy" Mason

website:
www.lowellmason.com

Lowell Mason grew up at Pine Run and began his Gospel music ministry here. That continued for over 70 years with his faithful wife, Judy, helping for 57 of those years. While he is unable to continue on, Judy keeps the mission work going.

We will be honoring "Buddy" by naming our "Prayer Walk Park" after him. His love for the Lord and spreading God's love epitomizes what the park will be about. His work with Precious Moments also has led to their agreement to design the mural for us at no charge.

We are thankful that their children will be joining with us in the efforts to get the "Lowell Mason Prayer Walk Park" up and going.

Pray for Buddy and Judy during this period in their lives and give thanks for the victory that is ours in Jesus Christ! This is the message that Buddy has proclaimed for so many decads and countries!

Please add the rest of the family in prayer as well for strength, support and comfort for the days ahead.

A Christian Ministry in the National Parks

We often focus on the recruiting of students to serve on the teams that lead worship and ministries in the National Parks. There are also winter opportunities, along with "short-term" IMPACT programs that are available for people to volunteer for. Pray for workers to staff the various programs at our National Parks this summer.

Remember to check out in advance when planning on visiting a National Park for the programs that might be available! They are planning on more than 80 programs across the country on any given Sunday this summer!
