Continue to keep Lowell, Judy and their children in prayer during this difficult time. We are so thankful for Judy’s loving care of Lowell and diligence to keep the mission works going!

Kainosbenevolencefund.org has established a system for people to provide support for Lowell and Judy during this stage of their life. You can go to their site, find the page for Lowell Mason and donate to help them financially.

Every Sunday morning at 10:30 am we “stream” our worship service. Those that might need to be in other parts of the building (Nursery, child care, etc.), those around the country or world can follow along on our Facebook page.

“Get to know God better” by reading His letter of love. The Bible is God’s message to all of us. From beginning to end, you will see His desire to be able to be with us, providing an incredible life, and enjoying our fellowship.

Bible Reading Bookmarks will be available in December which will take you through the entire year. You can choose either the “morning reading” (New Testament), “Evening reading” (Old Testament) or both!

To help you recall what you have read and to help you better understand, we are designing our worship and studies for 2023 to coordinate with the reading.

Our Bible School time will start with answering any questions that people might have from the previous weeks reading (Old OR New Testament). The lesson itself will focus on a portion of the Old Testament reading.

Morning Sermons will pull from the New Testament readings. Take home studies will also be made available that will focus on the New Testament reading as well.

If anyone would like to have a “midweek” study as part of a group, simply let us know and we will do our best!

Think about who you can invite to also read daily so you can encourage and help one another!
