**SERMON SERIES
Sunday Morning**

- 6** Faithful in Service
- 13** Following the Faithful
- 20** Support Missions
- 27** Example to Others

Remember to pray for
School Administration
& Carter Middle School

God calls for us to give thanks in ALL Circumstances (1 Thess. 5:18). We will Focus on this theme all through the month. We will start with our daily prayer topics (found on our monthly calendar) which include kingdom and community work, including the people involved. Each Sunday we will highlight a different theme including: Faithful ones in the midst of persecution, those involved in education, spiritual workers around the world and the privilege of being light and salt to the world around us.

Reviewing what God has done through the ministry of Pine Run in 2022, it is remarkable all that has been achieved. New faces, people growing in faithfulness, more involved in service, mission support increasing, partners with our local schools, leaders in the community, uniting Christians in prayer and service, seeing improvements in our facilities, development of the Lowell Mason Prayer Walk Park and God’s faithful provision of resources.

Review what God has done in YOUR life in 2022. Illnesses, injuries you’ve overcome, new family members, building memories, God’s faithful provision, spiritual growth, protection and the numerous people God has brought into your life.

We have so much to be thankful for, so let’s make this a priority to say, “thank you, God”; every day!

We are uniting believers ad the community through assembling and promoting a “Community Calendar”. You will notice that our own church calendar has many area events listed. This is a way we can support others, find added resources and bring our community closer together.

In October, we put together and staffed a display at the “Clio Can Do” 5K Run which helped raise support for Veterans, Firefighters, Clio Cross Country teams and other groups. Our display shared what God’s people are doing in our community and the resources that are available.

We are actively supporting the “Christmas in Clio” effort to assist people who are struggling financially, during the holidays. We have focused on collecting hygiene items in October (and will continue through November). On November 27th, we are told that information for what “toys” will be needed, will be made available. We will have until December 12th to help with that aspect of the program. Food for these people, will be provided through special “holiday boxes” made avaiable through the Eastern Michigan Food Bank.

The recipients need to be signing up.
