Mission of the Month:

OPERATION: "We Care!"

This ministry is in its 15th year. Lowell Mason partnered with H.E.H. in Michigan to help provide meals and other necessary items to areas in the United States. He has also partnered with IDES and others through the years. *The result has been several million meals (besides cleaning supplies and other necessities) have been provided across this nation of ours.*

During the Flint water crisis over a dozen semi-loads of bottled water were delivered to us and the Food Bank of Eastern Michigan for distribution to those in need.

Judy continues to oversee the disbursement of funds as needs arise.
