Mission of the Month:

BIBLES TO RUSSIA

Nearly 50 years ago, Lowell Mason was starting an effort to get Bibles into the Soviet Union. This effort was successful and was instrumental in helping a Russian General become a Christian. God worked through that General to open up the Army Camps in Russia for Bible Studies.

The work of sending Bibles to Russia continues today. Lowell Mason is no longer able to carry on the work due to health issues. His wife, Judy, has taken on assuring that the ministry continues to share God's Word with that country!

We are thankful for the continuing role that we have in providing prayer, encouragement and financial support to this vital work.
