### Mission of the Month:

As young people head back to school, the Human Services Fund ramps up their Food Backpack program. Over 150 backpacks will be stuffed with food items for needy students to take

home over the weekend, so they have something to eat. The schools provide breakfast and lunch each day for needy students, and the backpacks assure that the youth are cared for on days when there is no school.

Grants, and local giving helps fund the program. Volunteers from local congregations help pack them each week for the students, and they are handed out as the young people leave the school for the weekend.

Those in this program and others (Senior Citizens, for example) will also be notified of the opportunity to participate as a recipient in the annual "Christmas in Clio". This program is funded locally and provides: food,  
Pine Run Church of Christ

hygiene items, blankets, toys and other items for Christmas each year.

The Human Services Fund also operates the "Safety Net Store) on S. Mill Street to assist people with food and hygiene items as needed. The store also hosts events to make health care opportunities and other needed resources. Programs are sponsored to help individuals and families become more independent, as well.

This group has come a long ways since the early days of providing emergency funds for rent, utility bills, etc.; although it still does this.

### **CAMP SEASONS ARE WINDING DOWN...**

#### 2023 Schedule
