Mission of the Month:

 **Great Lakes
Christian College**
Intellectual, Spiritual & Personal Growth
An excerpt from the President of
GLCC's latest article:

My first six months as GLCC President have been that way. Discerning a rhythm has been difficult, but I have felt highs and lows. This year is pivotal for GLCC's history. Beset with financial challenges, the College was placed on probation by our accrediting association. The heightened scrutiny by the U.S. Department of Education and our auditors, has caused discouragement.

But I've also experienced encouragement, too. Faculty, staff, students, and alumni expressed support through

cards, letters, emails, and calls. Churches and individuals have prayed without ceasing. They increased their financial support, and in the first six months of this school year, giving outpaced our expectations by 42%!

For GLCC to weather the current storm that growth needs to continue. To finish the school year with a balanced budget we still need to raise an additional \$299,000 over what we initially budgeted.

If you've considered a gift to GLCC, I urge you to follow through. If you, or someone you know, is a potential student, will you connect them to our enrollment team? New online classes begin every eight weeks, so it's never too late to sign up to take a course. Please pray for GLCC!
