Mission of the Month:

Operation: WE CARE

This mission was started by Buddy (Lowell) and Judy Mason. It focuses on getting vital supplies to ravaged communities in the United States.

It has provided food and other essentials to Louisiana following hurricanes.

They helped provide over 5 million bottles of water to Flint during the water crisis. The first 2 trucks arrived and our congregation spent 3 months

Pine Run Church of Christ

delivering a case of water to every home in a 3 block wide area of Flint . The State then had set up the Firehouse in that neighborhood as a distribution site. Operation: We Care” then proceeded to continue to deliver truckloads of water to the Eastern Michigan Food Bank for distribution.

Judy now continues to oversee this mission and the vital assistance that it provides.

Continue to pray that she will have the strength, connections and resources to continue this vital work!
