We are so thankful for the loving support that Judy has been receiving as she cares for Lowell. Her daughter’s and son have been pitching in to provide additional support. The Lord gives her times of encouragement and joy, in the midst of these difficult times.

Continue to lift the family up in prayer. Give thanks for Lowell’s life and ministry, and maybe you can drop a note to let them know the difference they have made in your life!

Pray for this couple that just celebrated their 60th Anniversary, along with their family and ministries!

Death Valley in the winter 🌄
Team member, Harleigh Cupp, shared these incredible photos and 9 things from her ParkLife season this winter.
“Nine things I love the most about Death Valley:

- 1) The community. This is the first park I’ve ever worked in, so I don’t know if others can relate, but I never knew what the word community truly meant until I was forced to live and work alongside people who come from all across the country, and just happen to be in the same place at the same time.
- 2) The weather.
- 3) Sunrises and sunsets that never disappoint.
- 4) Getting dressed up to have breakfast at The Inn.
- 5) Licking the salt floor at Badwater Basin.
- 6) Canyoneering.
- 7) Rolling down the sand dunes under a full moon.
- 🌻 Finding flowers...yes, flowers.
9. Date Ice Cream 🍷”

Realize that more happens when we are serving God, than people realize! Keep the summer teams in prayer as they prepare.

Every Sunday morning at 10:30 am we “stream” our worship service. Those that might need to be in other parts of the building (Nursery, child care, etc.), those around the country or world can follow along on our Facebook page. The plan is to “live stream” even if “services” are cancelled due to weather. Occasionally, we may have one of our own, tune in for our service (yes, we have seen you ACMNP and others!)

If you are keeping up with our Daily Bible Reading Program, as of April 1st, we are 25% of the way through!

Our Old Testament Reading in April, will take us through Judges, both books of Samuel and into I Kings. We will read as Israel transitions from people that God raises up as needed, to a monarchy, that very quickly strays from God’s commands. May it be a reminder for us to keep our eyes on Jesus Christ.

Our New Testament Reading will spend time in the Gospel of Luke. He is writing as one who interviewed the eyewitnesses and then put it all together in a chronological order. This is a great year to spend time every day reading about Jesus’ life and ministry.

Know that God will use His Word to thoroughly equip you for every good work!
