**Take Time to Talk to God!**

God is working through the lives of His people at Pine Run to bring blessing to their loved ones, community and even impacting lives around the world.

Pray for your continued growth and for God to work through this ministry!

The questions keep coming, and they are more than welcome. Topics for this coming month include:

- Standing Alone
- Dedicated
- Preparation of a King
- Uniting Kingdom
- Solomon and Wisdom

This period of Israel's history reminds us of the blessings of obedience vs. the penalty for disobedience. We are so thankful that God forgives and shows mercy!

What questions have you had? Still looking for answers? Join us on Sundays!

**New Testament Study Guides Available**

Every Sunday, we include the Bible School lesson (Old Testament) and a new study guide (New Testament) for people to use at their convenience in our bulletin! These are based on the previous weeks "scheduled reading". They will focus on demonstrations of "God's Love" in the passages read.

This coming month lessons will be:

- Lord of the Sabbath
- Dealing with Rejection
- Demon Possession
- Opportunity Wasted
- Meeting the Challenge

We are glad to answer questions from these studies as well! Take time to do these studies as they will help you remember and better understand what God is trying to teach you.

Through all of our studies this year, we are focusing on how God has and continues to show His love to His people!

God has used the "Fast Food Truck" ministry to expand the outreach of our social media. Followers on Facebook (up 25%) and Instagram (up 33%) have increased. We've also seen some of these new followers "liking" and even "sharing" our daily devotion messages.

God has also helped us create new relationships with people in the surrounding businesses.

Purves Construction has started to repair the wall that will be used for the mural!

Over 300 flowers are being grown in preparation for the flowerbeds this year. Over 70 will be around the sign. Another 70+ are perennial plants that will come back year after year!

Meeting held to look at extending the flowerbeds with the help of a men's group from another congregation.

Still waiting to hear on our grant applications, but God has brought in over \$600 from "outside sources".

Interest was recently shown by United Way of Genesee County along with a Flint Media group in what we are doing.

Working with businesses in helping to promote our community (and providing some focus on churches).
