Mason Ministries

website:

This "colorized" panel by Steve Hargash typifies Lowell. Faced by "giant" challenges, he trusted in the Lord and overcame. Copies of this have been delivered to his family as a reminder of his faith. We are proud to continue to support the missions that his wife, Judy carries on.

Continue to pray for the family!

David & Dawn (Berry) Degler
A Christian Ministry in the
National Parks

So thankful that those that visit our National Parks this summer can

be blessed by the team that are there to lead Bible Studies and worship services!

Continue to pray for this ministry as they serve!

You can go to our Facebook page and watch our worship services. We try to live stream every Sunday at 10:30 am.

We really appreciate the work that Deb does putting pictures with our hymns, running the computer and working the live stream! Talk about multi-tasking!

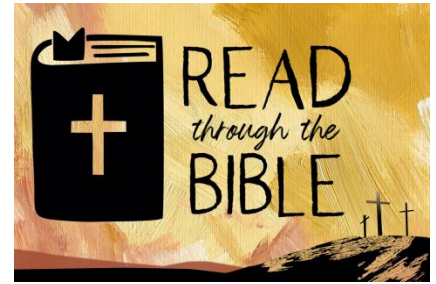

Pray for our **OUTREACH** through Food Trucks

Fat Axe Grill

Un Poco Loco Taco.

We have developed friendships with the owner/operators of these food trucks. They have requested prayer for loved ones, we pray for God to bless their business and have been thrilled to see them "drop in" on our live-stream!

Pray for God's blessing upon them and the development of relationships with the workers in our area!

If you are keeping up with our Daily Bible Reading Program, congratulations!

Our Old Testament Reading in August, will continue take us through Psalms. This book is more challenging as it goes beyond recounting events, to digging into the feelings and emotions that people are dealing with. This helps us to better grasp what others might be feeling as they deal with life's challenges.

Our New Testament Reading will take us through the record of the growth of the Church in the early years and then we will learn about some of the struggles and challenges that the congregation in Corinth faced. God is patient and faithful in guiding and protecting His people.

Keep reading and know that God will use His Word to thoroughly equip you for every good work!
