

**Let God Speak to YOU!**  
**Communication is important in EVERY relationship**

<http://pinerunchurch.org/reading-his-word.html> .

Let's continue reading all of God's LOVE LETTER in 2023!

This month :

**OLD TESTAMENT**

The book of Psalms gives us insight in dealing with frustration and depression. You will see instances of this in David's writings. God brings about attitude change as we go from focusing on our problems, to how He has helped in the past, and who He is.

Try it for yourself. Include praise and thanks when you pray and experience the difference it makes!

**NEW TESTAMENT**

God uses circumstances (arrest and imprisonment) to save Paul's life, provide opportunity to witness to Roman officials, have time (and safety) to write letters that will be used millennia later. He also demonstrates concern over what happens in the local congregation and shows the importance of doing things in a godly and Christlike manner.

**REMEMBER: Write down any questions you might have and bring them on Sunday so you can ask them (at Bible School, or after worship!)**

**Take Time to Talk to God!**

Continue to pray for one another. So much happens during the course of the week, your prayers for God's blessing and protection will be heard and answered! !

It's been a blessing to have "new faces" join us for study!

We continue to see how "relevant" God's Word is; even the Old Testament History. Yes, we do discuss why did God "have to include all the 'names'"; and then realize:

- Forgiveness & Renewal
- God's Faithfulness
- Serving the Lord
- Answered prayers

We also see how God has remained faithful, despite the lack of "commitment" by His people. He does bless, and has disciplined! We saw how the unfaithfulness resulted in less than 10% of the population returning from captivity.

Join us as we discuss and see how this material is relevant and beneficial in our walk with Jesus!

**New Testament Study Guides Available**

Every Sunday, we include the Bible School lesson (Old Testament) and a new study guide (New Testament) for people to use at their convenience in our bulletin! We are now in the book of Acts! The lessons are based on the previous weeks "scheduled reading". They will focus on demonstrations of "God's Love" in the passages read.

This coming month lessons will be:

- Self-Reliance Pitfalls
- New People
- Freedom
- Getting along

We are glad to answer questions from these studies as well! Take time to do these studies as they will help you remember and better understand what God is trying to teach you.

Opportunities to help others continue to arise and God is using us to get others involved.

Back to School Night-- Helping students/families with free school supplies (through Clio Area Ministerial Association & our donations). Helping teachers with classroom aids (through Clio Area Chamber of Commerce and Business donations).
