School Administration
& Carter Middle School

Giving Love...

We have given thanks for the abundant blessings that God has showered upon us. We now continue to find ways to share His love with others.

Time and energy will go into decorating the inside and outside of the church building for the holidays. Special effort will be added this year to drawing more attention to the Lowell Mason Prayer Walk Park. Besides the lights, "new" graphics will be added to the pages that people are directed to by the 10 signs along the pathway.

December 1st, during the Clio Candlelight Night, Nativity coloring books (and crayons) along with candy canes (which include the spiritual significance of the treat) will be handed out to people in attendance. They will be reminded of God's love and the reasons we have to celebrate with joy.

December worship services will feature classic Christmas carols that families can enjoy together. How appropriate to start each week giving God praise and spending time listening to the message of love that He has for us.

We know that God cares for the oppressed. As His children, we will be participants of the "Christmas in Clio." The program offers necessities, food, toys, books and experiences for the families in need in our community to enjoy together. It also provides for Senior Citizens that are in need, as well.

These are some of the more "visible" gifts of love that will be given at Pine Run during December. There will be notable "invisible" gifts of love as well. God's children will spend time each day reading His Word. They will talk to Him in prayer. Besides praise and thanks, they will take time to request God's blessing on their families; along with others that are a part of the Pine Run family. Love will also be shown as people visit with one another before and after the services. We will also share God's love with our family members, friends, and our communities!

All of these gifts of love, will not end at the end of the month, for with God's help, we will be determined to:

"Do More in '24!"

Making the "Plans"

Our community is recognizing all the "brokenness" as people try to cope with life. We have been asked to help create a plan to improve the mental and social health of our community. We will help lay out ways for people to "love others" and "be a blessing" in the coming year. We are pleased to be working with the schools, mental health leaders, community leaders and groups.

In addition to these endeavors, we will be involved in helping our local businesses, grow their business and improve their customer service and expand their investment in the community.

Pine Run's ministry goes far beyond our own members, it serves our community, region and through the missions we support; our World!

May God bless as we

"Do more in '24!"

Helping
With
LIFE
