Remember to pray for  
School Administration  
& Carter Middle School

## SEARCHING

We have been missing some of our members and hope to see them get back to faithfulness!

Looking for people that need to learn more about Jesus and God's love!

Looking for more time to keep up with the daily Bible Reading!

Looking for more ways to reach and minister to people.

Looking for more donors to help us complete the Lowell Mason Prayer Walk Park!

As a result we are keeping these things in prayer, because we know that God answers prayer in His time!

We have seen several grow in their faithfulness this past year! Attendance is up over LAST year at this point!

We continue to come across people that need encouragement or be reminded of God's love. Continue to see visitors and hear of how God is working through us to reach people in other parts of the world!

Many are spending more time in God's Word than they were last year at this time (even if they might be "behind schedule"! Questions aplenty are being asked at our Bible School each week!

Prayer Walk Park has sparked interest among businesses, community leaders and others who hear of what we are doing. We have recently enabled the QR codes so that people can use their "smart phones" and be taken directly to our website!

We have applied for about a half-dozen grants and have been talking with civic leaders and businesses about helping out. Signage along the boardwalk is now in place. We will be receiving designs and quotes from some area businesses to help complete the Lowell Mason Prayer Walk Park. We are well ahead of a community agency that has been working on outdoor murals for over 2 ½ years (they still have to confirm building, figure out a theme, select a design, decide on an artist—all things that God already has in place for us!)

Come and be a part and witness what God does at Pine Run in 2023!

## **SEEKING** **OUR** **ADVICE**

Community Groups struggling with an aging and declining membership, businesses, government agencies, even foreign Christian workers are turning to us for help with planning, dealing with issues and getting resources.

Bible Studies being spread in Kenya, strategic planning for Vienna BDA (who gave us a matching grant last year), helping groups adjust to a changing society; God is working through us far beyond what we would have imagined!
