Lowell and Judy will be celebrating their 60th anniversary this month. She has remained faithful by his side. His dementia is at a point where she is the only one he remembers, he has no recollection of his 70+ years of music ministry.

Judy cares for him, oversees the various ministries. What a blessing she has been throughout their marriage.

Continue to pray for this couple, their ministries and give thanks for the time he spent growing up at Pine Run over 70+ years ago!

David & Dawn (Berry) Degler

A Christian Ministry in the National Parks

ACMNP has added two new employees. One is Hope Ogle, (Communications Coordinator) who will be based out of Portland, OR.

Kourtnie Stenwall (Program Assistant) will be based in Missouri, with plans to move to Colorado in May.

The teams remain active during the winter months, as their Teton winter

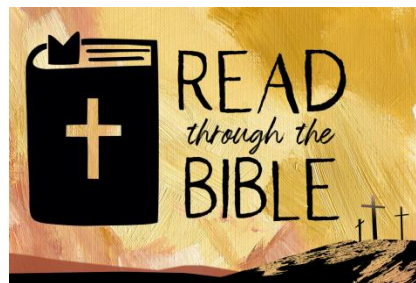

team led worship on top of a mountain. Check out their Facebook page to stay up to date!

Keep the leadership in prayer and may the Lord continue to work through this ministry!

Every Sunday morning at 10:30 am we “stream” our worship service. Those that might need to be in other parts of the building (Nursery, child care, etc.), those around the country or world can follow along on our Facebook page. The plan is to “live stream” even if “services” are cancelled due to weather. Paul will head over, play and lead the songs for worship and preach for the benefit of those who are housebound due to the weather!

How’s the Bible Reading going? Have you kept up? If not, do not get discouraged and give up—that’s what the Devil wants. Pray about it and work at it (you will find the New Testament is much easier to get caught up with!). Know that God will bless your efforts of spending more time with Him and seeing His love in action.

Snow bound? Great time to snuggle up with the “Good Book” and spend extra time with God as you look out your windows and see the beauty that He can create!

Remember, if you have questions, write them down and we will be glad

to talk about them. One such time that is regularly scheduled is Bible School each week. If you can’t ask at that time, we will do our best to help you better understand what God is saying (and doing!)

As we head into February, we are scheduled to be halfway through Matthew and done with Genesis and ½ way through Exodus. We are to finish Exodus, Leviticus and be 2/3 of the way through Numbers in the Old Testament; while in the New we will finish Matthew and be nearly ½ way through the Gospel of Mark.

Encourage others to take this journey with you by providing a reading guide and then sharing how God is speaking and blessing you through this endeavor!
