- 29 Seeking the Lord**

Remember to pray for  
School Administration  
& Carter Middle School

A NEW YEAR brings new possibilities; so let's explore how 2023 will be different.

**INDIVIDUALLY:**

Most in the congregation have experienced growth in faithfulness, prayer, knowledge, service and commitment. We look forward to building on that progress this year!

**DISCIPLESHIP:**

New Bible Reading program that will take us through God's ENTIRE Love Letter will have us spending more time in His Word.

Our Bible School format is being changed to start with questions that people have from what they have read the previous week (does not have to be confined to OUR daily reading plan). After those questions, we will look at a portion of the previous weeks reading from the Old Testament.

Our midweek study that will be made available, will focus on the reading from New Testament.

Sermons will be based on the previous weeks reading in the New Testament.

Additional opportunities for fellowship will be offered. The first will be on January 1<sup>st</sup> from 9:15-9:30 am and feature donuts and bagels. This will kick off the New Year!

**OUTREACH:**

We will continue our efforts to minister to our local leaders, schools and community. Emphasis on prayer and influencing decisions, while

of life for our community.  
Work will continue on the Lowell Mason Prayer Walk Park. We pray that this will bring people to meditate, pray, give thanks and grow in their relationship with God.

Mission emphasis will continue along with daily messages to workers around the world.

Our Social Media will continue and we are looking to expand that through the Daily Bible Reading Program that we have encouraged others in the community to join in with us.

We will also look for additional ways to expand our outreach.

**LOWELL MASON  
PRAYER WALK PARK  
WORK CONTINUES**

We were blessed with a donation from BRONNER'S

CHRISTMAS WONDERLAND. This enabled us to order the signs for along the pathway and 2 extra benches. Those should all be in place by mid-January.

This spring, the flowerbeds will be extended to both sides of the "old" boardwalk and out to the Parking Lot.

Continue to pray for God to lead and provide for this ministry. The next major portion will be the mural. This needs to be completed by December (per our licensing from Precious Moments).

It's hard to believe how much God has accomplished in 9 months with this project. For more information you can go to our LOWELL MASON PRAYER WALK page on our website: pinerunchurch.org for pictures, donors, Scriptures and more!
