Lowell helped organize and start missions to send Bibles to Russia and supplies to storm ravaged areas of our country. Judy keeps those ministries going along with support for a orphanages (one here in the States, after they could no longer get funds to one in a war ravaged area.

Judy and Lowell begin the New Year, with Judy providing care for Lowell. Family time over the holiday will be meaningful as they move towards a celebration of 60 years of marriage in February.

Continue to pray for this could, their ministries and give thanks for the time he spent growing up at Pine Run over 70+ years ago!

Every Sunday morning at 10:30 am we “stream” our worship service. Those that might need to be in other parts of the building (Nursery, child care, etc.), those around the country or world can follow along on our Facebook page.

Additional copies of the Daily Bible Reading plan are available at the church. Each day we will focus on how the passages show God’s love. Many people miss out on that message (especially in the Old Testament), so you will want to follow along and take advantage of the resources we make available.

Besides: Bible School, midweek study guides, and sermons from each weeks reading, you can also find additional study materials on our website ([pinerunchurch.org](http://pinerunchurch.org)) on the “Reading His Word” page.

This year you will be reading all about God’s Original Plan (Old Testament) and then God’s New Plan (New Covenant) that fulfills the original and makes salvation possible through grace. 66 Books you will go

through, seeing God’s love and plan for our lives!

Encourage others to take this journey with you by providing a reading guide and then sharing how God is speaking and blessing you through this endeavor!
