Communication is important in EVERY relationship

The Time has ARRIVED! Let's get to reading all of God's LOVE LETTER in 2023!
 This month :

OLD TESTAMENT

Events we will read about:

Creation, start of mankind, God's offer of redemption, the flood (God protects the righteous), start of a godly nation (Abraham, Isaac, Jacob), God being with Joseph through trials, delivering God's people from Egypt (10 Plagues, Red Sea), teaching them how to live (10 Commandments).

NEW TESTAMENT

Events we will read about:

God keeping promises (Genealogy), Jesus' birth, Wise Men, John the Baptizer, Jesus Overcomes Temptation, Sermon on the Mount, Miraculous Healings, parables, victory of the Church, importance of children and more!

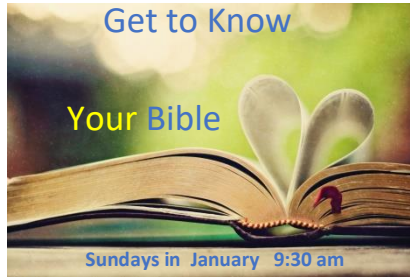

REMEMBER: Write down any questions that you have each day and bring them on Sunday so you can ask them (at Bible School, or after worship!)

Take Time to Talk to God!

We will be covering so much in our daily Bible Reading, take time before you start, to ask God to help you understand, be blessed and remember what you read.

Pray for your continued growth and for God to work through this ministry!

We will start each week by taking questions that people have from their reading and will discuss. We will then focus our attention on sections of the reading from the Old Testament and help people see how God is showing His love. Seeing this, will then help you more quickly recognize the demonstration of His love in your life and situations that you face.

January 1st, we will offer donuts, bagels and coffee at 9:15 to make it easier to get started with something new, for the NEW YEAR!

New Testament Study Guides Available

Every Sunday, a new study guide will be available to go along with the New Testament Reading. These will help you get more out of your reading and see God's love on display. This will enable you to more quickly understand how His love is being shown in your life.

What a blessing it has been to

have more people visiting for worship, sharing their recognition of our efforts and seeing God provide and bless our efforts.

Our outdoor Christmas decorations (focusing on Jesus' birth) were shared on Facebook by the Clio Area Chamber of Commerce.

BRONNERS CHRISTMAS WONDERLAND made a generous donation to the Lowell Mason Prayer Walk Park.

Decorations inside were done under Belinda Miller's supervision, with members of her family helping.

Tote overflowing with hygiene items and later toys were delivered to the Christmas in Clio distribution.

Information and training has been made available through our Library, fellow congregation, along with equipment as we look at implementing a new resource for our Daily Bible Reading.

LIVE STREAMING & MORE!

Livestreaming begins around 10:30 AM on Sundays.
