

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

Let's continue reading all of God's LOVE LETTER in 2023!

This month :

OLD TESTAMENT

Discover God's love as He will strengthen you to deal with life and Satan's attacks. Others may try and discourage you, but God rewards the faithful.

Learn in the book of Psalms how it is OK to voice your frustration to God, and then watch as He helps people change their perspective and realize all that they have to be thankful for. God can help you change your outlook as well!

NEW TESTAMENT

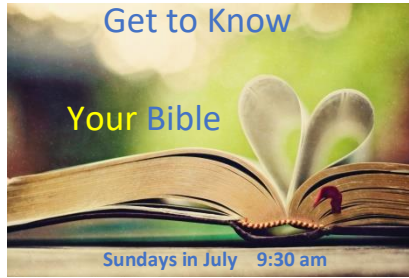

See how God works through our life situations to provide opportunities to share His love with others. Their lives can be transformed when they accept Jesus. God will help equip and provide the resources that we need as we grow in our faith and service.

REMEMBER: Write down any questions you might have and bring them on Sunday so you can ask them (at Bible School, or after worship!)

Take Time to Talk to God!

Continue to pray for one another. So much happens during the course of the week, your prayers for God's blessing and protection will be heard and answered! !

It's been a blessing to have "new faces" join us for study!

We continue to see how "relevant" God's Word is; even the Old Testament History. Yes, we do discuss why did God "have to include all the 'names'"; and then realize:

- Reminder that WE are loved
- Obviously men didn't write this!

We also see how God has remained faithful, despite the lack of "commitment" by His people. He does bless, and has disciplined! We saw how the unfaithfulness resulted in less than 10% of the population returning from captivity.

Join us as we discuss and see how this material is relevant and beneficial in our walk with Jesus!

New Testament Study Guides Available

Every Sunday, we include the Bible School lesson (Old Testament) and a new study guide (New Testament) for people to use at their convenience in our bulletin! We are now in the book of Acts! The lessons are based on the previous weeks "scheduled reading". They will focus on demonstrations of "God's Love" in the passages read.

This coming month lessons will be:

- Gentiles
- Avoiding Legalism
- Nobility
- Standing Firm
- Thinking of Others

We are glad to answer questions from these studies as well! Take time to do these studies as they will help you remember and better understand what God is trying to teach you.

Our Annual Meeting was amazing as we looked back on all that God has done at and through Pine Run Church of Christ over the past 12 months. We shook our heads in disbelief; because He just keeps working from week to week; blessing, creating opportunities, providing; and then you look back and... **WOW!**

Impact in the community continues to amaze as God is quickly transforming our businesses into forces that are promoting others, getting involved, and getting excited about the coming changes!

We rejoice at how people are growing in their commitment and involvement. People are turning to us for prayer, guidance and inspiration.

God has been protecting His people and taking care of health issues. He is using us to comfort and encourage others.

God continues to provide the needed resources for the ministry. Even when we didn't get the amount we asked for in a grant (only \$3000 and not \$5000); we realize it's the second largest single gift we have received and a few years ago would represent nearly 10% of our yearly income. Then there is the "savings" that He provided so that we could get everything done we had planned! Keep praying for this other grant we are waiting to hear from!

The artist who will paint the mural is VERY EXCITED about the project and working to help make this a reality
