PASSING THE TORCH

Lowell Mason left this world on April 22, 2023. After leaving Pine Run Church of Christ following his graduation from Clio High School, he followed the Lord's leading. During these intervening years, God used him to:

- Have 70 year Gospel Music ministry
- Involved in International crusades
- Part of weekly Revival Fires TV program carried by 154 TV stations in the US
- Distribute over 4 million Bibles to Russia
- Perform over 1500 Gospel concerts at Precious Moments HQ
- Found Christian Church/Church of Christ Pension Fund
- Co-found Ohio Valle Manor nursing Home
- Form "Operation: 'We Care'" delivering several million meals to people in poverty besides being rapid responders in feeding thousands of victims of Natural disasters in the US
- Co-found Helping Hands Ministries
- Be named "Man of the Year" in Orell, Russia because of charitable contributions to orphans in the city.

Now, his wife Judy, with the help of their 4 children, will carry on the missions and support to orphanages.

His son, Duke, will continue doing Gospel concerts. His daughter Kelly, is looking at getting more involved in that area of ministry as well.

What a legacy the Mason family is carrying on! Continue to pray that God will bless them with strength, wisdom, and guidance as they follow Jesus faithfully.

The more you know about this family, the easier it is to see why "Lowell Mason Prayer Walk Park" is a fitting way to honor and remember his service to our Lord!

Grow Our IMPACT

God has been expanding our impact in the community. Known for benevolence, uniting congregations, helping turn around our schools, improving our neighborhood is now leading to MORE opportunities.

Vienna Twp. BDA gave us a "matching funds" grant and because of it's success increased its offering to businesses by 4 fold this year. They have also asked us to serve on a community committee which will help develop a 30 YEAR PLAN for the BDA and our community.

Our Chamber of Commerce has turned to us for leadership in helping further develop our businesses and community. We will apply God's principles and help them discover the WISDOM of God and His Ways.

Continue to pray for God to work through us to change our families, community and world!
