Nothing makes a dad more proud than when his children follow Jesus! Lowell and Judy have so much to praise God for as their 4 children remain active in service and will now be stepping up to help Judy continue the various ministries.

We rejoice to be able to continue to partner with them in these endeavors. We know the sacrifice these servants make, as well as their families, when they allow God to do great things through them.

Let us continue to lift them up in prayer; pray for the completion of the Lowell Mason Prayer Walk Park and look forward to the family coming up and joining us for the dedication!

David & Dawn (Berry) Degler

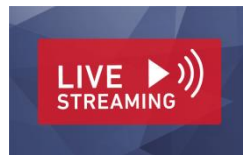

A Christian Ministry in the National Parks

The teams are beginning to head out to the various National

Parks to begin their ministry. Pray for them as they lead worship, Bible Studies, and share God’s love with the employees and visitors of our National Parks. God’s handiwork surrounding them, provides countless opportunities for praise and thanksgiving. May people be drawn to God’s Love and His Son, Jesus!

Pray for our **OUTREACH** through Food Trucks

And now it is 2!

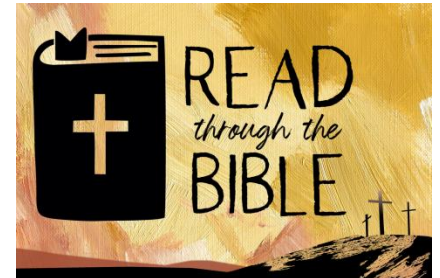

Fat Axe Grill

Un Poco Loco Taco.

God has not only provided families and workers in our community with fast, hot, fresh food; but has increased their awareness of our presence. Local workers are appreciative of our hospitality and we hear comments from people in the community at different gatherings. Social media activity has also increased as a result of the presence of the Food Trucks!

Continue to pray for God to work through this, but also for those coming to take time to go through the Prayer walk, be impressed with the beauty of God’s creation and have a hunger to get to know Him better through worship and study with us!

The June schedule for the trucks can be found on the calendar and in the bulletin each week.

If you are keeping up with our Daily Bible Reading Program, congratulations! You have made it through some of the most challenging material!

Our Old Testament Reading in June, will take us through the end of the Southern Kingdom, Exile, Return to the land after Captivity and then “jump back” to the time of Abraham; as we read of Job and his faithfulness through trials.

Our New Testament Reading will finish up the Gospels and then take us into the start and early growth of the Church.

Keep reading and know that God will use His Word to thoroughly equip you for every good work!
