

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

Let's continue reading all of God's LOVE LETTER in 2023!

This month :

OLD TESTAMENT

See God's love as He disciplines His people and they finally learn to turn away from idols. God then restores them to their land and helps them begin to build it back up. You will also witness God watching over Job through the trials that Job faces.

NEW TESTAMENT

Observe how God clearly demonstrates His love through the giving of His Son. Then watch as God begins to quickly expand the Kingdom of Christ and its' impact; starting with Jerusalem, Judea, Samaria and then on to the rest of the world!

REMEMBER: Write down any questions you might have and bring them on Sunday so you can ask them (at Bible School, or after worship!)

Take Time to Talk to God!

What a wonderful experience as believers gathered to pray on May 4th.

We continue to see God work in mighty and amazing ways as He answers our prayers. We had asked for prayers regarding GRANTS for the Lowell Mason Prayer Walk Park.

God is amazing. We have heard back from the first (hear from another the end of June- first part of July). This

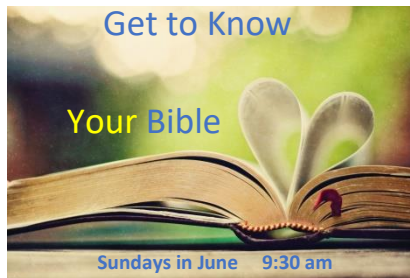

Pine Run Church of Christ

was a grant that we "didn't qualify for", were told not to waste our time; only to see God open the door through an individual that heard what we were doing, is involved with the grant and helped us work our way through the process. As a result, God blessed us with \$3000 from the Clio Area Fund. This is enough to remove the two dead trees at the back of the property; and with the savings that God has shown us, enables us to enjoy a fully mature lilac bush and have 6 Arborvitae trees (about 5' – 6' tall) planted!

God has also provided healing, watched over those travelling, brought visitors into our midst and continues to provide for our needs and expand our impact!

Pray for your continued growth and for God to work through this ministry!

We continue to head through material that is much less familiar, as we learn of the kings of Judah, the Exile, and return from Captivity. We will finish the month with more familiar material in the history of Esther and Job.

Join us as we discuss and see how this material is relevant and beneficial in our walk with Jesus!

New Testament Study Guides Available

Every Sunday, we include the Bible School lesson (Old Testament) and a new study guide (New Testament) for people to use at their convenience in our bulletin! We will be entering the 4th and final Gospel account. The lessons are based on the previous weeks "scheduled reading". They will focus on demonstrations of "God's Love" in the passages read.

This coming month lessons will be:

- Good Shepherd
- Holy Spirit
- John's Goal/Purpose
- Stephen

We are glad to answer questions from these studies as well! Take time to do these studies as they will help you remember and better understand what God is trying to teach you.

Through all of our studies this year, we are focusing on how God has and continues to show His love to His people!

God continues to touch lives through services and efforts we put forth to help others in our community. He has provided resources for:

- *Flowerbeds prepared
- *Ramp washed, stained & Sealed
- *Boardwalks washed, stained and sealed
- *"Dirty" parts of building exterior washed
- *new flowers being planted

Besides the perennials "springing forth"!

Week of June 5th the 2 dead trees in the back are to be removed and 6 new arborvitae will be planted.

We are down to the last few "major projects". Not including the painting of the mural (praying that a Grant will take care of that!). The other projects include: skirting for the ramp, new sign panels, archway for entrance to park, information board about Lowell Mason, and the pavilion.
