Remember to pray for  
School Administration  
& Carter Middle School

A personal relationship requires that communication goes both ways. Many times we are quick to talk to God when we need things, but let's continue to make sure we are giving Him the opportunity to talk to us!

Daily Bible Reading, Bible School, Sermons, midweek study, independent study, daily devotions on Facebook are all opportunities for God to speak to us. The more time we spend reading/listening; the better we will see and understand God's will!

No time like the present to increase time in His Word. Join with us and avail yourself of the resources we have to help you along the way!

We await the results of the grant requests and from businesses, but some work will be moving forward. We are looking at:

- \*extending flowerbeds by boardwalk
- \* powerwashing & staining ramp
- \* skirting along bottom of ramp
- \* flowerboxes by sign

Pending the \$5,000 Grant from Clio Area Fund Grant, we would:

- \*remove 2 dead large trees
- \* replace with 7 aborvitaeas
- \* start work on pavilion

Pending the Brotherhood Mutual Grant we would:

- \*"colorize" the mural design
  - \*prepare wall for painting
  - \*prime wall
  - \*have mural painted
- Other projects would include:
- \*changing panels on church sign
  - \*signage explaining who Lowell is
  - \*completion of pavilion
  - \*archway at entrance of park

We continue to take donations and will recognize on our website and on a sign in the park, donors (or those they want remembered).

**FAST FOOD TRUCKS ARE COMING!**

Meeting a need for local workers and bringing more people every day to the Lowell Mason Prayer Walk Park, where they can relax, meditate, be inspired, find scriptures while enjoying a fresh hot meal, is the intent. Throughout the Spring and Summer they can also watch to see as the park continues to "grow and blossom" through the various projects that could be taking place! We will see how things go with it.

The trucks will start coming on March 1<sup>st</sup> and the schedule is:

- Mondays: 11-5 Fat Axe Grill**
- Tuesdays: 11-5 Northern Smoke BBQ**
- Wednesdays: 11-2 The Fry Guy**
- Thursdays: 11-3 Un Poco Loco Taco**
- Fridays: 11-3 Lucky's Lunchwagon.**

We have enjoyed a favorable response from the surrounding businesses when we informed them of the plan.

Be praying that God will use this to draw people closer and interest them in the other offerings we have available for their benefit!
