

Lowell “Buddy”

Mason

God has blessed Lowell through the years with a faithful, loving and supportive wife. Her strength and diligence has been clearly seen especially over the past couple of years. Lowell has suffered extensive health problems, and through it, Judy has been their caring for him and seeing that the work of their missions continues.

Though, Lowell’s has forgotten large segments of his life, he still remembers Judy by name. This speaks of the tremendous love that he has for her, that continues throughout his illness.

Pray for this couple that just celebrated their 60th Anniversary, along with their family and ministries!

A Christian Ministry in the National Parks

Be praying for ACMNP as their two newest employees get comfortable in their new positions. Pray for guidance and wisdom as they will be sorting through the applications for their summer teams.

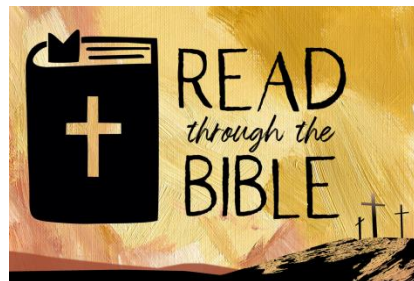

Pine Run Church of Christ

Once the selection is completed, then the work of setting up and training those workers will need to take place. Summer teams will be heading out sooner than you realize and there is much not only for ACMNP to do, but also for the workers as they prepare for a summer of ministry in the beautiful surroundings that God has created throughout our nation!

Every Sunday morning at 10:30 am we “stream” our worship service. Those that might need to be in other parts of the building (Nursery, child care, etc.), those around the country or world can follow along on our Facebook page. The plan is to “live stream” even if “services” are cancelled due to weather. Paul will head over, play and lead the songs for worship and preach for the benefit of those who are housebound due to the weather!

Don’t miss out on the blessings, lessons, and insight that you will find in God’s Word. Pick up where we are right now if you want. Use the daily Facebook posts to help you follow along. Remember that questions are welcome and we have a special time especially for them at the start of our Bible School each week (Sunday @ 9:30 am).

Our Old Testament reading will take us through the end of the wilderness wanderings, Moses’ “recap” for the

new generation as they prepare to enter, Moses’ departure, and then Joshua taking over and being used of God to lead the people into the Promised Land and victory.

Our New Testament reading will complete the Gospel of Mark and start the Gospel of Luke. Enjoy the different perspectives on Jesus’ earthly ministry. .

Encourage others to take this journey with you by providing a reading guide and then sharing how God is speaking and blessing you through this endeavor!
