

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

Let's continue reading all of God's LOVE LETTER in 2023!

This month :

OLD TESTAMENT

Events we will finish: Numbers, read Deuteronomy and get started into Joshua!

You will see God's love in His provision for Israel in the wilderness, His discipline of His people, taking time for Moses to teach a "new generation" of what God had done, and then preparing them for their new home and giving them victory. Know that God will do the same for you!

NEW TESTAMENT

We will finish the Gospel of Mark (who focuses on the "actions" of Jesus and hits highlights) and then enter into the Gospel of Luke (who takes a "historians approach" and writes after talking with people who were there).

Jesus will be seen as the Son of God and Son of Man who is deserving of respect and obedience due to the power and care that He shows. In Luke, you will also see how God worked in the lives of others to prepare them for Jesus and His ministry. Know that God cares and through His Spirit will prepare you for effective service!

REMEMBER: Write down any questions you might have and bring them on Sunday so you can ask them (at Bible School, or after worship!)

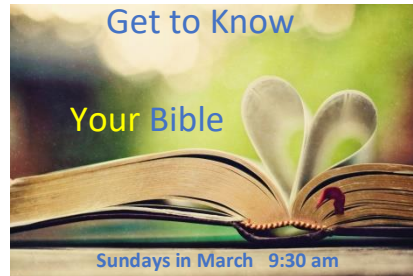

Take Time to Talk to God!

We will be covering so much in our daily Bible Reading, take time before you start, to ask God to help you understand, be blessed and remember what you read. Take a stroll through

the Lowell Mason Prayer Walk Park and write down reasons for praise, thanks and even some additional areas of prayer. You can use the "QR" codes in the park, to find additional Scriptures to think and meditate on!

God is working through the lives of His people at Pine Run to bring blessing to their loved ones, community and even impacting lives around the world.

Pray for your continued growth and for God to work through this ministry!

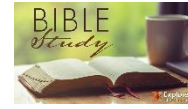

The questions keep coming, and they are more than welcome. Topics for this coming month include:

- God's Authority
- Teaching Obedience
- Your Choice
- Significance of Rahab

Our society likes to suggest that People are free to do whatever they like, but what God makes clear, is that there are PENALTIES for choosing to disobey Him. This month we will look at some of those penalties and contrast to the blessings given to those who obey.

- Where did all the nations come from?

What questions have you had? Still looking for answers? Join us on Sundays!

New Testament Study Guides Available

Every Sunday, we include the Bible School lesson (Old Testament) and a new study guide (New Testament) for people to use at their convenience in our bulletin! These are based on the previous weeks "scheduled reading". They will focus on demonstrations of "God's Love" in the passages read.

God used a report from the Vienna BDA at Common Ground to inspire us for a new outreach and service effort to the people of our community. Within a couple of days, everything was in place and then approved by the Church Board. The response by the Fast Food Truck operators and workers in our surrounding businesses has been very encouraging!

Our involvement with the Chamber of Commerce and helping improve their upcoming Directory, also led to the President sending us notice of a grant that would help with landscaping in our Lowell Mason Prayer Walk Park. The grant has been applied for and we should hear back sometime possibly in March!

God continues to provide for our monthly needs along with designated funds for the Prayer Walk Park!
