

**Let God Speak to YOU!**  
**Communication is important in EVERY relationship**

<http://pinerunchurch.org/reading-his-word.html> .

Let's continue reading all of God's LOVE LETTER in 2023!

This month :

**OLD TESTAMENT**

Events/People we will read about: the entire history of the Israelite Kingdom. We will pick up with Solomon, then go through the end, and then return back to the beginning as we enter into the Chronicles account.

You will see God's love in His protection of Israel.

**NEW TESTAMENT**

Read again about Jesus starting with the week leading up to His crucifixion and resurrection, and then start over with John's Gospel as John emphasizes the importance of placing our faith in Jesus!

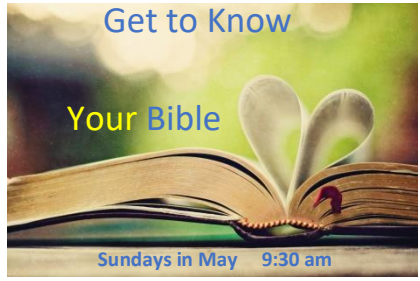

**REMEMBER: Write down any questions you might have and bring them on Sunday so you can ask them (at Bible School, or after worship!)**

**Take Time to Talk to God!**

Besides your daily times in prayer, please look to gather with others on May 4—National Day of Prayer. Brochures & bookmarks are available to help you focus on various areas to be praying for! Local programs in Clio will be at Noon (Firehouse) & 6 pm (High School).

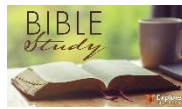

Pray for your continued growth and for God to work through this ministry!

The questions keep coming, and they are more than welcome. We will see how Israel gets drawn away from God, efforts by God to restore their relationship and the eventual destruction of the nation when they refuse.

This period of Israel's history reminds us of the blessings of obedience vs. the penalty for disobedience. We are so thankful that God forgives and shows mercy!

What questions have you had? Still looking for answers? Join us on Sundays!

**New Testament Study Guides Available**

Every Sunday, we include the Bible School lesson (Old Testament) and a new study guide (New Testament) for people to use at their convenience in our bulletin! We will be entering the 4<sup>th</sup> and final Gospel account. The lessons are based on the previous weeks "scheduled reading". They will focus on demonstrations of "God's Love" in the passages read.

This coming month lessons will be:

- Rejected by Friends
- Resurrection
- Bread of Life
- Blindness

We are glad to answer questions from these studies as well! Take time to do these studies as they will help you remember and better understand what God is trying to teach you.

Through all of our studies this year, we are focusing on how God has and continues to show His love to His people!

We celebrated the anniversary of the congregation followed by the hope of our faith—Jesus' Resurrection! An offering was taken that will enable an additional young person to attend Rock Lake Christian Service Camp this coming summer.

Work has continued on the Lowell Mason Prayer Walk Park. Flowerbeds have been created, extended and cleaned. Special thanks to the Men's Bible Study from the New Covenant Church for helping remove some sod to extend flowerbeds. Perennial flowers are making their return. The old boardwalk and ramp have gotten a cleaning. The painter is working on "colorizing" the mural, in preparation for painting.

This month we should hear on the grant that would enable us to remove the dead trees in the back and replace them with some new trees. Flowers will be planted around the church as the weather warms up.

Lowell Mason went home to be with the Lord. Deb and Paul made the trip to Missouri to attend the Life Celebration service.
