Time to GIVE THANKS!

It's been a busy time as people have been visiting and ministering to family, and we've also been busy in the community. Our "Scarecrow" display came in 5th out of 40 (#1 in Pine Run/ #3 in Vienna Township). We were also at the Clio Color Run reminding people at the Health Fair that God's Way is best (also providing refreshment to the runners). During the Rotary Club of Clio's 3 week Leadership Workshops on Mental Health, we participated and spoke at the final session (can see our power point presentation on our Website Home page, under "Community Information" (Mental Health Presentation for Businesses). In between, we continue to teach, encourage, worship and pray!

As we enter November, we want to help our people focus on all that we have to give thanks for. God teaches us that "in every thing, give thanks..." It is one of the 3 main points at each stop along the Lowell Mason Prayer Walk. This is a key component to Mental Health. During November we will focus on:

- Week 1: Our World/Community
- Week 2: Our Veterans
- Week 3: Our Educators
- Week 4: Our Loved Ones

IDOP

INTERNATIONAL DAY OF PRAYER
for the PERSECUTED CHURCH

On the **first Sunday in November**, the body of Christ unites to lift up in prayer those that are facing persecution. We are inspired and strengthened by their example. Let us pray that they will continue to be strong and bold. That evangelism and discipleship will continue. That those persecuting may have their eyes opened to the love of Jesus and experience the life transformation that only He can make possible. Pray for the children, that there will be people there to share the love of Jesus with them and to help them grow in the grace and love of God.

Join us as we remember and lift them up in prayer!

November 12th we will take time to give thanks for our country, community and those that have defended the freedoms that we enjoy.

Join us **Nov. 12** as we kick off with prayer and thanksgiving...

Psalms 107:1-3

Colossians 3:15-17
