

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html>

Let's continue reading all of God's LOVE LETTER in 2023!

This month :

OLD TESTAMENT

This month's reading will show that God is just. He punishes "His people" for sin and holds them accountable. Isaiah and Jeremiah are prophesying during the last years of Judah's existence. Issuing warnings of coming judgement, Judah refuses to repent and turn wholeheartedly to the Lord. Jeremiah will speak of the impending fall and collapse of the nation. In the midst of such grim news, God gives promise of the coming of a Savior to encourage the faithful and remind them that God keeps His promises!

NEW TESTAMENT

God reminds the faithful of the crucial truths that we believe and give us hope. He shows us how we should live, that we might best reflect the grace and love of Jesus Christ. He provides encouragement in the midst of struggle. We are called to serve Him and others faithfully. He then provides guidance and instruction for young men, such as Timothy and Titus

Be thankful for the hope that is ours in Jesus Christ and continue to live your life in a way that honors Him and brings God glory!

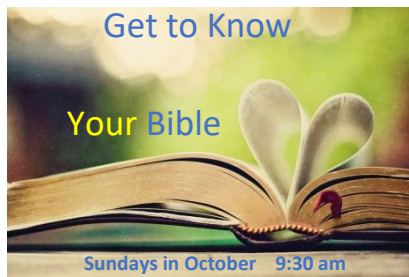

REMEMBER: Write down any questions you might have and bring them on Sunday so you can ask them (at Bible School, or after worship!)

Take Time to Talk to God!

Situations we face personally or that loved ones are dealing with, challenge us to lean on God's everlasting arms. They remind us that we need Him every hour. Be thank that we have a friend in Jesus, who hears our prayers and the promise of God that He will answer in the best interests of His loved ones!

Pray for yourself, loved ones, fellow believers and for the work of God to be carried out in our community and around the world. Praise God for who He is, what He has done and give thanks in all circumstances!

Join us as we go through the writings of Isaiah and Jeremiah. We will be reminded of:

- Life Choices (and results)
- Accountability
- The Servant of the Lord
- Suffering of Jesus
- New Heaven & Earth

Discover how relevant these Old Testament passages are for people today. Share them with your family and friends. Help them to see how God's Wisdom far surpasses the wisdom and ways of people!

Each week we begin with addressing any questions people might have from their Bible reading! Bring your questions!

New Testament Study Guides Available

Every Sunday, we include the Bible School lesson (Old Testament) and a new study guide (New Testament) for people to use at their convenience in

our bulletin! The New Testament studies are important for us to understand how we "fit in the body of Christ", What is our "role", What benefits we enjoy and how to deal with tough times (which we all fae!)

This coming month lessons will be:

- Justified by Faith
- Made Alive
- Supremacy of Christ
- Christ's Return
- Timothy's Faith

We are glad to answer questions from these studies as well! Take time to do these studies as they will help you remember and better understand what God is trying to teach you.

Fall Flowers around the church and Autumn Decorations bring a different feel to the building. Special thanks to Belinda Miller and her granddaughter for the decorating!

"The Preach" has made his appearance and has simple messages to share with the community. These can be found on signs in front of the church and also occasionally on social media.

Work will be done getting the building prepared for the winter.
