

Let God Speak to YOU!
Communication is important in EVERY relationship

<http://pinerunchurch.org/reading-his-word.html> .

Let's continue reading all of God's LOVE LETTER in 2023!

This month :

OLD TESTAMENT

This months reading will provide a stark contrast to the wisdom and ways of the world. So much pain and suffering could be prevented if people were to adhere to the wisdom and warnings that God gives. His prohibitions are for our benefit and when we ignore them, people will suffer as a result of their own doing.

Take time to read each day and Include praise and thanks when you pray and experience the difference it makes!

NEW TESTAMENT

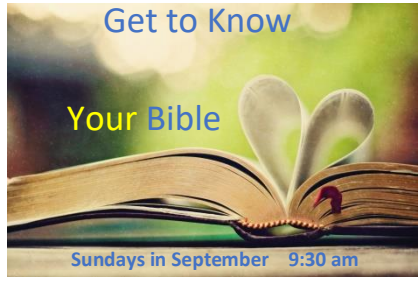

God addresses issues that Christians face: immorality, getting along, marriage, how to worship in spirit and truth, unity in Christ, what to believe, relying on God, building a Christian home and more! Can you see why the Devil works to keep people from reading God's Word daily? This is vital spiritual nourishment that we need for growing strong in Christ!

REMEMBER: Write down any questions you might have and bring them on Sunday so you can ask them (at Bible School, or after worship!)

Take Time to Talk to God!

Continue to pray for one another and the burdens that they have.

Join us as we continue to "transform" our thinking to align with God's Thinking. This month we will be dealing with the following topics:

- The Light
- Wisdom
- Teaching Wisdom
- Meaning of Life

Discover how relevant these Old Testament passages are for people today. Share them with your family and friends. Help them to see how God's Wisdom far surpasses the wisdom and ways of people!

Each week we begin with addressing any questions people might have from their Bible reading! Bring your questions!

New Testament Study Guides Available

Every Sunday, we include the Bible School lesson (Old Testament) and a new study guide (New Testament) for people to use at their convenience in our bulletin! The New Testament studies are important for us to understand how we "fit in the body of Christ", What is our "role", What benefits we enjoy and how to deal with tough times (which we all fae!)

This coming month lessons will be:

- The Body of Christ
- Spiritual Gifts
- God's Comfort
- Apostle Paul's Trials

We are glad to answer questions from these studies as well! Take time to do these studies as they will help you remember and better understand what God is trying to teach you.

WOW! What an amazing month and seeing how God has been at work!

Clio's 150th Celebration at the Amphitheater has come and gone. God worked through us to help get businesses involved. We helped the Historical Society have a "presence" by setting up a table on their behalf. Our table featured what God has done the past 150+ years at Pine Run along with special handouts (Prayer Walk Park Coloring Book; along with Clio 150th Year Coloring Book and Puzzle Book-these are also available on our website for FREE DOWNLOAD).

Worked with Schools to generate ideas on promoting Clio History.

Worked with area congregations to provide free school supplies (over 4,000 estimated in attendance at the Back 2 School Night).

Starting to receive letter and info towards the "Pure Michigan Byway" designation for M-54 (Saginaw County among first to respond).

Worked with Great Lakes Christian College on where they are headed.

Members have been busy ministering to their family members.

Visitors boosted our spirits as we also ministered and encouraged them.

Plans are being made to make greater use of the Lowell Mason Prayer Walk Park this Fall and into 2024

God has provided financial resources to pay the 6 month insurance bill without having to take money from the savings!
