

Let God Speak to YOU!
Communication is important in EVERY relationship

This month :

OLD TESTAMENT

As your read the last of the Major Prophets and all of the Minor Prophets:

REMEMBER THAT:

- God doesn't want any to perish
- God reaches out and warns the nations
- God is just and will punish
- God will restore those that repent
- God can and will protect His people
- God has a plan and it will be realized
- We have responsibility to share the message

ASK YOURSELF:

- How has God helped me
- Where do we need to change
- What hope do we find

NEW TESTAMENT

As you read through John and Jude's Writings (including Revelation)

ASK YOURSELF:

- How do I show my love for God
- How well do I love others
- Who do I trust
- Who do we trust to guide the church
- Am I ready for tough times
- Am I remaining faithful
- Where am I headed
- What will heaven be like

REMEMBER: Write down any questions you might have and bring them on Sunday so you can ask them (at Bible School, or after worship!)

Take Time to Talk to God!

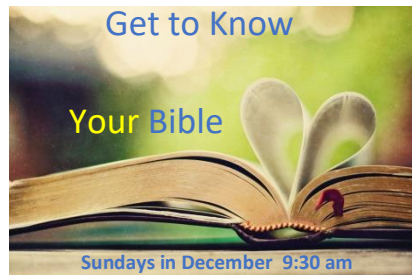

We have several who are facing health challenges (members, family members and friends). Let us be praying for God to help them through and to give us the wisdom to see how we can best minister and support them.

Be praying that people will see Christ throughout the holidays in our lives and gatherings.

Pray for lives to be touched through acts of kindness through the holiday season and into the new year.

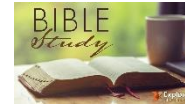

Pray for God to work in and through our ministry.

"Doing More in '24!"

Join us to better understand these Old Testament books that are less read. They will be dealing with different nations and different times. Some overlap and see e message that they share about the coming of Christ, our salvation and life with God.

Learn more about what is happening in the lives of others in the congregation so you can pray more specifically about their situation and maybe discover that you have some insights/contacts/experiences that will help them overcome. Be reminded how God is working through this ministry to impact our community!

Study Guides Available

The New Testament Study Guides are much easier to go through on your own (compared to the Old Testament studies). They will help reinforce what you have read. You can bring your question with you on Sunday and we will be glad to go through it then!

Share study guides with family and friends (pick up extra copies at church or take a picture of a study with your "smart phone" and send the image to others!

Let God work through you to help others get into God's Word!
