Helping
With
LIFE

The POINT!

April 2024

God has blessed us to be a blessing to others. Then they will give thanks and praise to God. How do we accomplish this?

Our ministry to our own families, friends and neighbors. Lifting up prayers, providing godly wisdom and guidance, inspiring by living committed holy lives of service and more. Through our fellowship, we become aware of even more resources and help that will be a blessing to our loved ones.

Our ministry to our community, schools, service groups, officials and local businesses. Helping them to prosper and enjoy meaningful times. Discovering the joy of helping and making a difference. Challenging them to follow God's leading.

Our ministry to the body of Christ. Encouraging the body to work together, to lift up Christ, meet needs and call our community to holy living. Challenging people to pray, praise and give thanks. Calling them to study God's Word and follow the leading of Christ through the Spirit.

Our ministry to our world through our support of missions and Christians workers. Prayer
