FOCUS ON JESUS!

We have been called to lift up Jesus as we love God and love others. This December, God is using us to do just that!

As businesses/organizations begin to decorate for the second annual "Scenes of the Season"; we are doing our part. An old-fashioned Nativity on the Front porch reminds all those that are passing by, that Jesus is the Reason for the Season. For those that stop, they can walk through the Lowell Mason Prayer Walk Park and see the contests theme, "Spreading Joy" on display. Candy Canes, red and white lights are visual reminders of Jesus purity and the blood He came to shed for us. The various stops along the walk remind how God kept giving life, blessing and guidance to His people. Take a walk and see for yourself.

Clio Candlelite Nite is an annual event in our community. A nativity is placed in Veterans Park. We have worked to get the Nativity Story out to the families. "Candlelite Nite" cards will feature a set of nine cards that are all about the Nativity. Other Sets include: Christmas Songs and traditional Christmas characters.

Every worship service in December will focus on Jesus and His central role in the Christmas story. Encourage family and friends to come and share as we sing Christmas carols, give back to God, who gave us Jesus; and are inspired by His love!

GIVING TO OTHERS

Our Community unites to take care of those that are struggling. We have helped lead the charge in procuring Toothbrushes, toothpaste along with paper towels. Others are taking care of other necessities.

We have also collected gifts for the children along with donations to be used to purchase others toys/gifts as needed.

December 13, 14 these things will be distributed at Mott Community College to over 100 Senior Citizens and upwards of 150-200 families from our community.

**HELPING OUR
BUSINESSES &
ORGANIZATIONS**

We proposed "collector cards" that would carry a local business logo and be handed out to the young people attending. We designed 3 Collector Sets of 9 cards each (Nativity, Christmas Characters, and Carols). The sets are designed to be used to play 4 different card games with several variations. We were able to recruit 27 businesses/organizations to participate and have a business that specializes in "Trading Cards" design and produce.

God continues to expand our "traditional" ministry avenues and create new ones!
