Mission of the Month:

Great Lakes has learned that their accreditation probation has been lifted. The monitoring group cited their Strategic Plan, improved financial standing as key elements in their decision.

The School is also pleased to report a second consecutive year of increased enrollment.

The school has expanded their efforts of:

- Online degrees
- Programs to help people come back and get degrees
- Studies for church leaders
- Resources/helps for churches
- Recruiting athletes

Continue to pray for their ministry that preachers, leaders and workers

are raised up to advance the Kingdom of Christ!

LOOKING AHEAD

The church board has reviewed key areas for personal spiritual growth:

- Learning “elementary” teachings (Christ, repentance, faith, baptism, Christ’s return and heaven)
- Faith
- Goodness
- Knowledge
- Self-Control
- Perseverance
- Godliness
- Brotherly Kindness
- Love

As a congregation we are growing in these and it is helping us to be more productive and better prepared for Jesus’ return.

Given our society and issues that it struggles with, we will be focusing on: Self-Control and Perseverance this coming year.

We will again be reading through all of God’s Word. This daily discipline will require both: Self-Control & Perseverance; while helping us to grow in our Faith and knowledge.

Bible School Classes in 2025 will focus on reading from the NEW Testament from the previous week. We will start by taking any comments or questions that people might have from ANY of the reading; and will then move on to the lesson for the day.

Sermons will be pulled from the previous weeks reading, with an emphasis on what we learn about; or how we can develop: SELF-CONTROL and/or PERSEVERANCE.

Midweek study Guides will be made available that will focus on the Old Testament. These will help you better understand this “less familiar” portion of God’s Word and see it’s importance to your understanding of who God is and how we are to live.
