Keep Judy in prayer as she keeps the ministries going. Besides this labor, she is also dealing with the passing of 2 sisters (1 last August, and 1 in late January); and a brother who is ailing as well.

We are trying to work with Duke (Buddy & Judy’s son), in setting up a “Dedication Day” for the Lowell Mason Prayer Walk Park and possibly concert(s).

Lift the family up in prayer, as they continue to work until the day we are reunited in heaven!

As many of you may know, our team members now have the chance to take a behavior-based leadership assessment at the beginning of their summer season through a group called The Lions Lead.

These assessments generally cost \$50-250 each, but we have learned of an opportunity to take a new

version of the assessment for free. The Lions Lead is working on a new assessment and needs a control group to take it to finalize the validation process, so that means we have a chance to offer this version for free for a limited time!

This particular assessment should take about 20 minutes. Though slightly different than the ones our team members take, it will give you the chance to see what their experience is like without the financial investment. Our entire staff has taken it and have seen some great insights through the results of this one!

You can try it for free by clicking on the following link:

Pray for God to work through the groups, give wisdom and guidance in the planning, prepare workers for the upcoming year and a support base that is reliable and sufficient for the task.

You can go to our Facebook page and watch

our worship services. We try to live stream every Sunday at 10:30 am.

AGAIN???? That’s right! We know that we will get even MORE from it this year. We found as we concluded the year, seeing more “pieces” come together and give us greater insight to what God is saying.

Commit to starting out and strive to do even better this year than what you did in 2023! Join us in:
