- 28 We've Only Just Begun

Remember to pray for
School Administration
& Carter Middle School

Helping
With
LIFE

**2023—
What God has
Done—**

- Increased and stabilized attendance (**newer people becoming faithful, others returning**)
- Strengthened faith/daily walk (**improved impact among family members**)
- **Increased Giving**
- Expanded Missions (**providing teaching lessons to leaders in other countries**)
- Increased influence among churches
- Increased influence among community leaders
- **Increased influence among business leaders**
- Continued development of Lowell Mason Prayer Walk Park (physical & **how to use**)
- Strengthen connection with Masons (**support at Lowell's passing**)
- Improvement of building and grounds (**tree removal, sealing of building**)

2024—

Where God is Leading

- Continued discipleship (Bible Reading/ Studies)
- Continued Outreach (family, friends, neighbors, community, missions)
- Continued Development of Lowell Mason Prayer Walk Park (flowerbeds, panels for sign, info sign about Lowell, Seasonal "touches")
- Increasing influence & impact in community

- Influence businesses
- Christian Concerts
- Uniting Believers (Prayer, concerts, benevolence, guiding community)
- Begin work on uniting "region"
- Strengthen ties with Mason family
- Improve community presence (food trucks, use of park, community gatherings [Firemen's Homecoming, 4th of July, etc.])

The REALLY EXCITING PART, is that He has more in store than what we have even seen at THIS point! All the "BOLD" in the 2023 listings, were not "envisioned" at the start of the year!

"DOING MORE IN '24!" isn't just a "slogan" it will be our REALITY! Commit to prayer, spending time daily in God's Word, meeting and encouraging others and letting God Work in your life!

**Making the
"Plans"**

We will be active in January:

- Assessing/improving benevolence in community
- Developing Theme Emphasis in Community to improve mental health and relationships
- Working with businesses & community leaders to increase bringing people to community (Homecoming, July 4th, Decorating, etc.)

Pine Run's ministry goes far beyond our own members, it serves our community, region and through the missions we support; our World!

May God bless as we

"Doing more in '24!"
