Helping  
With  
LIFE

**The POINT!**  
March 2024

What a blessing seeing people encourage one another by their faithfulness in worship and service. Seeing and hearing how you are ministering to loved ones and lifting them up in prayer.

We take this attitude with the community. We are working with the Firemen and others to help plan the 2024 Clio Summer Kick-Off. We are working with local businesses in their "Grand Opening" and promotions of their business. We are working with others in helping transform the community into one that loves as God has called us to. We are working with community leaders in helping to improve our community. We are helping our neighborhood by bringing back "Food Trucks" starting this month! We are working to unite local believers and lift up Jesus and the work He is doing around the world. We are working to help those who are in need.

God is making all of this possible. He equips us for every good work through our reading of His Word and work of His Spirit in our lives. He creates the opportunities and provides the vision of what we CAN be. He provides the resources and workers in His time.

Keep praying for Go to work mightily and for efforts/resources to be multiplied exponentially so that more lives can be touched.

March is a reminder of "new life" and a necessary "changing of the guard." We celebrate the coming of the King and resurrection of our Lord. As we do, we will see walls come down, growth of the Kingdom and the
