

Let God Speak to YOU!
Communication is important in EVERY relationship

This month :

OLD TESTAMENT

Leviticus demonstrated the need to be holy. Realizing our present condition, we find that “cleansing” is provided through the blood. Offerings are significant. God made it clear that those refusing to do it His way, would be punished. As we move into Numbers and beyond, we see the blessings of obedience and the potential of God’s power in our lives as individuals and a people. Continue reading with us!

NEW TESTAMENT

Mark is making it clear that Jesus is a powerful individual. Jesus is determined to help show us to a better relationship with the Heavenly Father. See the difference that faith in Jesus makes. How the “impossible” becomes “possible” and so much more!

This month, as we approach the celebration of Jesus’ Triumphal Entry into Jerusalem and Triumph over death and Satan; become more familiar with Jesus!

REMEMBER: Write down any questions you might have and bring them on Sunday so you can ask them (at Bible School, or after worship!)

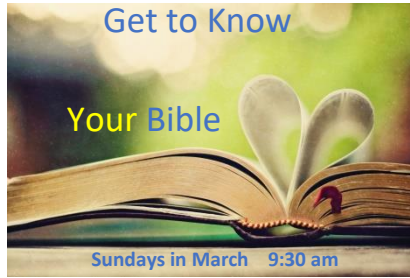

Take Time to Talk to God!

Praise God for who He is and give thanks for all that He has and continues to do!

We are thankful for healing, relief from pain, comfort in times of sorrow, hope that He provides, His provision, opening of door and shaping of our lives. Keep lifting one another, along

with the work of the Kingdom, up to the Father, in prayer!

“Doing More in ’24!”

We have been taking time to make connections between lessons and instructions God gave in the Old Testament and how it applies to our lives today. What an amazing concept of God dwelling in the midst of His people and the various facets of that relationship (Guidance, light, bread, cleansing, purification and more) and how that has ALL carried over into our relationship with Him today!

What else have you been missing? Come join us and remember to bring your questions with you!

Study Guides Available

The New Testament Study Guides are much easier to go through on your own (compared to the Old Testament studies). Take time to go through them each week. They will help reinforce what you have read. If you get “stumped” or have a question, feel free to reach out during the week by phone or email. You can also bring your question with you on Sunday and we will be glad to go through it then!

Share them with family and friends (pick up extra copies at church or take a picture of a study with your “smart phone” and send the image to others!

Let God work through you to help others get into God’s Word!
