Thankful for the opportunity to keep in touch with Judy and the work she is overseeing. Pray for health and strength as she deals with family struggles (loss of siblings).

We are thrilled to hear that Duke Mason will be active in Revivals in June. This however, will require that we look to a different time for the dedication of the “Lowell Mason Prayer Walk Park”.

In the meantime, pray for Duke that God works through Him in growing the Kingdom of Christ!

### David & Dawn (Berry) Degler A Christian Ministry in the National Parks

Last September, the above group of people met for a “Fall Celebration” of what God had done through the ministry up to that point in the year. Preparation is underway for another powerful summer of God working in the

National Parks through His people and creation.

ACMNP is already planning for another celebration to be held: September 26-28 in the Theodore Roosevelt National Park.

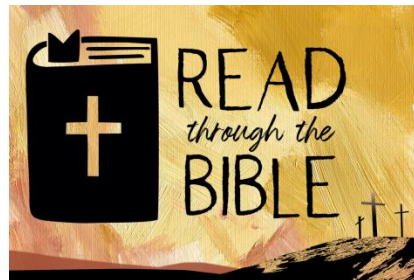

Pray for God to work through the groups, give wisdom and guidance in the planning, prepare workers for the upcoming year and a support base that is reliable and sufficient for the task.

You can go to our Facebook page and watch

our worship services. We try to live stream every Sunday at 10:30 am.

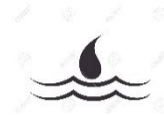

It’s amazing how God helps us pick up more insight and inspiration as we head back through His Word again in 2024! More of the material I familiar and easier to “put together” with other passages. We see links between the passages and how God’s plans and actions in the Old Testament come to greater light as we connect it with the New Testament. We begin to realize that there was a purpose that we had never seen before! This helps us in our daily lives to trust God; knowing that He has a purpose and plan, that we might not realize at the moment, but it will be in our best interest!

If you haven’t already joined us in reading through God’s Word, pick up a schedule in the church foyer or follow along on the monthly calendar. Seem overwhelming? Try starting with just the New Testament Passages this year!
