Mission of the Month:

**Building a Foundation for Life,
Spiritually**

It may seem obvious, but when you come to GLCC you are coming to a Christian College. As a student here, you will be encouraged to level up your faith and not let it flatline. Everything we do on campus is intended to deepen your faith. Your classes, weekly chapel gatherings, small groups, and relationships on campus will foster a closer walk with Jesus.

Great Lakes Christian College offers classes online and specialized programs for those that can't attend in person; or have time for 4 years of full time commitment to studies.

Paul was a 1981 graduate of Great Lakes. He followed an "Interdisciplinary" program that included Minors in: Old Testament, New Testament, Bible Languages and Christian Education.

Deb also attended Great Lakes and met Paul there.

It's That Time...

It's recommended to have the parking lot sealed every 2-3 years. We had let it go much longer, which resulted in numerous cracks that had to be filled. Thanks to God's provision, we are much closer to being able to pay for the work to be done. We are waiting on 2 estimates to come in. The previous occasion we benefited from a grant (which will not be available this time around). Pray for God to provide.

LOWELL MASON PRAYER WALK PARK UPDATE:

Just a reminder that we do not use "General Fund" resources for the Prayer Walk Park. It is completely funded by "DESIGNATED GIFTS".

Next project on the agenda is an "Information Board" chronicling the ministry of Lowell Mason and to be placed at by the boardwalk at the entrance of the park.
